

Soothing Vibes for Happier Journeys

Baby Stroller Vibration Soother
Gentle vibration · Soothing sounds · Peace of mind

*Calm Baby,
Less Stress
for Parents*

- 5 Vibration Modes
- 11 Soothing Sounds
- Bluetooth Music
- 15 / 30 / 60 Min Timer
- LED Breathing Light

Gentle Vibration
Mimics your touch, soothes your baby naturally.

Soothing Sounds
Melodies and white noise help your baby fall asleep faster and stay asleep longer.

Less Stress
More calm for your baby, more freedom for you.

A little device makes a big difference

Bionic Vibration

Simulates the gentle vibration of mom's embrace, awakens the baby's familiar sense of security, quickly calms crying, and restores the comfortable experience of the womb.

11 Soothing Sounds

Built-in 11 natural white noises and lullabies create a quiet sleep atmosphere, effectively block external distractions, and help babies fall asleep faster.

Soft Night Light

Low-brightness warm light design, non-glaring for night care, protects the baby's sleep rhythm and provides a warm atmosphere for night soothing.

Bluetooth Music

Supports Bluetooth wireless connection, play children's songs, stories or light music from your phone, and customize your baby's favorite soothing content.

From Fussy Nights to Peaceful Sleep

From Fussy Nights to Peaceful sleep

Before

VS

After

Before: Endless Crying & Tired Parents

Endless crying, manual rocking, interrupted sleep, and overwhelming parenting stress.

After: Peaceful Sleep, Relaxed Parents

Baby falls asleep quickly with gentle vibration, no manual rocking needed. Parents enjoy peaceful moments, balance work and life, and say goodbye to anxiety.

Bionic Rhythm Vibration

+ Gentle Bionic Rhythm

Mimics the gentle vibration of a mother's embrace, providing a familiar sense of security for your baby to calm down quickly.

5 Adjustable Vibration Levels

Progressive vibration modes from gentle to strong, find the perfect soothing intensity for your baby's needs.

Quiet Operation

Advanced silent motor technology ensures quiet operation, effectively soothing your baby without disturbing their sleep.

One-Click Soothing

Minimalist design with intuitive operation, easy for everyone to use without complicated learning.

Mimic natural patting to soothe your baby's emotions

Core Feature 2: Rich Sound & Light

Simple Control, Flexible Soothing

11 Soothing White Noise Tracks

Built-in carefully selected white noise and lullabies, such as heartbeat, rain, and ocean sounds, to help your baby fall asleep quickly.

Bluetooth Music Streaming

Connect to your phone via Bluetooth to play any music or stories you like, making soothing more personalized.

Soft LED Breathing Light

Built-in soft LED breathing light provides gentle illumination, convenient for nighttime care without stimulating your baby's eyes.

Smart Timer Function

Supports 15/30/60 minute timer settings, automatically shuts off after your baby falls asleep, saving energy and worry-free.

Versatile Scenarios, Anytime, Anywhere

Available in **multiple scenarios**

Enable you to do your own things better

Have more time and energy to spend with family, enjoy special moments, and do what you love.

Balance work and baby care, the perfect helper for managing both work and life!

Compact, IPX2 waterproof, soothes your baby anytime, letting you enjoy coffee or a quick haircut.

Home Guardian for Peaceful Sleep

Place it in the crib or on the sofa. The familiar home environment quickly soothes the baby, letting them sleep soundly and giving mom more rest time.

Focus Time for Efficient Parenting

When handling work or housework, it acts as a caring baby-sitting assistant, giving you focused personal time and helping you balance parenting and daily chores easily.

On-the-Go Soothing Companion

Compact and portable, it can be easily attached to a stroller. When going out, it creates a familiar soothing atmosphere, so crying won't disrupt your outing rhythm.

Gatherings with a Peaceful Atmosphere

Effectively soothes the baby during family gatherings, avoiding crying from disturbing relatives and friends' chat, letting adults enjoy the gathering peacefully and making the reunion atmosphere more harmonious.

Your perfect helper at home or outdoors

Quick & Secure Installation

Quick & Secure Installation

1 1. Wrap Strap
Around Handle

2 2. Tighten Side Knob

3 3. Attach Rocker
to Dock

01 Wrap Strap

Wrap the strap tightly around the stroller handle or railing, fits various diameters, stable and secure without loosening.

02 Tighten Knob

Rotate the side knob clockwise to firmly fix the base, no extra tools needed, prevents device shaking when the stroller moves.

03 Attach Main Unit

Align the main unit with the base and press gently to lock with a 'click'. Stable installation and easy removal, adjustable position anytime.
